Rank: 6816.0

Rating: PG-13 - Teens 13 or older

Synopsis: Through the long distance warp called the "Exodus Project", Worns, Ryer and the other crew members of "Watchers Nest" manage to escape from the Earth. Misaki, who was attending the final battle with "Ghoul" at that time, isn't present there and

before her eyes, the earth changes and gets enclosed by a time barrier.

Ryer and the others search for a way to escape from this space time maze, but the earth changes to various forms. Innumerable "Nows" appear due to varying time axes.

And also Misaki, who should have disappeared because of the Exodus Project incident, still afortiori. Before Ryer and the others, different forms of Misaki appear. The Misaki from training school, the Misaki from her childhood days.

Are these reflections caused by the conflicts that exist inside Misaki?

She awakens a second time and when she derives the response, that history is leading into a completely different direction now.

Will Misaki, Ryer and the others be able to find a real happy end?!

Rank: 5369.0

Rating: PG - Children

Synopsis: If there's one word to describe Reiji Ozora, it would be "quitter." He can never find the motivation to finish anything, and loses interest at the drop of a hat. This all changes when his best friend Maiko introduces him to the new game "Dragon Drive."

In this virtual reality game, each player is assigned a dragon tailored to match their personality and strength. Reiji hopes for a big, strong, scary beast, but instead, he is stuck with Chibi, a cute, friendly-looking dragon smaller than he is. How disappointing except it turns out that Chibi is the rarest dragon of them all!

Reiji finally discovers something he can remain interested in, and works hard to train both himself and his newfound friend. Soon this training will be put to use to save the world, for there are people who have dark aspirations for Dragon Drive!
