Name: School Rumble Ni Gakki

Rank: 600.0

Rating: PG-13 - Teens 13 or older

Synopsis: We still have no idea what's really going on with this show, beyond the fact that the weirdness is piling up!

Curry-fiend Karasama remains oblivious to Tenma's crush, and Harima still hasn't confessed his true feelings to Tenma. But hey, the thug's got an excuse since he's caught up with his comic career and knee-deep in a blizzard of deadlines! Meanwhile, the love triangles are ever-shifting thanks to wannabe cupids and runaway brides.

Even when you throw in a bit of cyborg love, a shipwreck, and a fugitive red panda seriously, that ain't even scratching the surface. You are encouraged to scratch the pig, though. He likes it! And something rumbles in the next to last episode, no matter what I say next.

School Rumble The absolutely funniest show you'll ever see that's not about anything that rumbles... Ever!
