Rank: 3934.0

Rating: G - All Ages

Synopsis: At the Ministry of Science, fervent Professor Ochanomizu alongside his coworkers strive to reactivate Atom the first robot with a human heart. Atom is the masterpiece of enigmatic Professor

Umatarou Tenma, who built the android to replace his deceased son Tobio. However, while Tenma inexplicably shut down his brainchild and disappeared, Ochanomizu refuses to let such a major breakthrough in science go to waste.

Despite having the appearance of a nine-year-old, Atom not only possesses incredible strength and intelligence, but he is also endowed with a remarkable conscience and compassion that rivals humans. Sadly, the mechanical boy soon faces rejection and learns that not everyone is as welcoming as Ochanomizu. Although automatons have integrated into society, they are accepted only as tools and even seen as an upcoming threat to mankind's dominion.

Dreaming of a world where people and robots can prosper together, Atom dedicates his existence to protecting the lives of both and inspiring them to form genuine bonds.

Rating: Rx - Hentai

Synopsis: After their rejected request to create a formal student magic club, Hiroko Takashiro, Saki Shidou, and Rie Morita are forced to continue practicing witchcraft in their free time only. One day,

Rie comes across a dusty, hand-written book. Found on a sales pile in an antique shop, the manuscript seems to be nothing more than a foreign curiosity.

Upon translating the book, the girls discover simple spells designed to bend an unsuspecting victim to the user's will and impose one's sexual desires on them. Realizing they have come into possession of a mighty weapon, the group begins fulfilling different requests of other students be it for love, vengeance, or sexual desire. As the situation spirals out of control, the magic club gradually transforms into a cult of blood, lust, and human sacrifice.
