Name: Karas

Rank: 2193.0

Rating: R - 17+ (violence & profanity)

Synopsis: The world of the humans and the world of the demons (youkai) have overlapped one another, leaving humans to walk the streets of life as they normally would, while demons walk, hidden from the naked eye, down the very same streets. A seemingly young woman named Yurine and her servant, the Karas (from the Japanese word for "Crow"), have long maintained order and balance between the overlapped worlds, ultimately keeping the demons from interrupting the lives of humans. However, humans have come to forget and jest at the existence of demons, and no longer understand the privilege it is to live without fear. Disgusted by this arrogance, an old Karas turns his back on the laws he had once upheld, and in his human form, named Eko, he creates an army of Mikura, or mechanized demons, to ready an attack on the human race.

A young man named Otoha inherits the powers of the Karas and takes his place at the side of Yurine, who claims that his soul called out for her while he lived the life of a human. They live in the world of the demons. It is now up to Otoha to prove himself as a Karas, and restore the balance that Eko threatens to upset.

Meanwhile, a superstitious police officer named Sagisaka and his rational new recruit, Kure, follow the trail of the murders dealt by Eko's Mikura, as well as the trail of a rogue Mikura named Nue. The prophecy unfolds from here into a grave revelation for all in the city.

Synopsis: Teenager Yamato Akitsuki has moved from the Hiroshima countryside to Tokyo to begin his high school career. In return for room and board, he has agreed to help his aunt and cousin run their bathhouse and the adjacent girls-only dormitory where he will be staying. On his way to meet his relatives, he passes by a local high school track and is mesmerized by a high jumper practicing her technique.

Later on, Yamato finds out that the high jumper is not just another resident of the dorm, but is also his neighbor. Suzuka Asahina is a heavily scouted track and field athlete who is attending the same high school he is enrolled in. A perfectionist by nature, Suzuka is put off by Yamato's clumsy and carefree attitude and finds it difficult to be near him.

Determined to win her over, Yamato joins the track team after discovering his hidden talent for sprinting. Through his interactions with the track team, his classmates, and the ever-inebriated college students in the dorm, Yamato finds the resolve to become a better athlete and a more suitable companion to Suzuka, even if it means pushing himself to the point of exhaustion.
