Name: Kiddy Grade

Rank: 3096.0

Rating: R+ - Mild Nudity

Synopsis: In the distant future, humanity has taken to the skies and colonized many planets throughout the universe. An agency known as the Galactic Organization of Trade and Tariffs (GOTT) has been formed to maintain order. Within GOTT, a secret squad of enhanced human beings known as the ES Unit carry out secret missions to put a stop to major galactic crimes. Two such operatives are the lowly C-ranked Éclair and Lumière.

Despite being on the bottom of the totem pole, the pair wield formidable powers: Éclair's superhuman strength and lipstick whip and Lumière's ability to take control of any computer. Together, they can take on any mission that GOTT throws at them. But as they complete more and more missions, the duo begin to uncover a major conspiracy that leaves them questioning everything they know about themselves and the entire galaxy.

Name: Mahoromatic: Automatic Maiden

Rank: 3278.0

Rating: R+ - Mild Nudity

Synopsis: Mahoro Andou is a powerful combat android designed by Vesper, a secret organization protecting the world against alien invaders. Unfortunately, her remaining operational time is running short. If she continues to fight, she will shut down in about one month. However, if she chooses to avoid combat, she can live freely for over a year.

Suguru Misato is a high school boy who lives alone in a large house left behind by his late parents. Like any other boy his age, he has trouble taking care of the house on his own, so he decides to

enlist the help of a maid. His problem is solved in the most unexpected way: when a couple of thugs hijack the bus he is riding, a young, beautiful girl wearing a maid outfit saves the day. It turns out that this girl is Mahoro, who has chosen to live her remaining days as Suguru's new maid.

Mahoro makes the best of her remaining time and develops bonds with Suguru and his friends during their peaceful yet lively everyday interactions. However, Mahoro is hiding her true intentions behind becoming Suguru's maid, and it seems that their pasts are more intertwined than Suguru realizes.

Name: Viewtiful Joe

Rank: 5110.0

Rating: PG-13 - Teens 13 or older

Synopsis: Joe, a red-headed movie buff, and Silvia, his girlfriend, are having a bit of relationship trouble. Silvia feels that Joe is taking her for-granted and wants to do something together for once, so Joe decides to take her to see an old action movie featuring his favorite hero, Captain Blue. What started out as a cute movie date takes a turn for the worst when Silvia is pulled into the movie by the leader of the evil organization, Jado.

Joe follows her into the mysterious "Movieland," and is granted a powerful device known as a V-Watch by Captain Blue himself. With it, he transforms into the action hero named "Viewtiful Joe" and goes off to rescue his girlfriend before she can be used by Jado to take over the world. It's a long road to go from average Joe to full-blown hero, but he'll give it his all to save both his girl and the world and he'll do it in the most "view-ti-ful" way possible.
