Synopsis: In Universal Century 0088, the Anti-Earth Union Group (AEUG) has emerged victorious in its war with the Earth Federation's Titans at the cost of devastating losses. Neo-Zeon, the third faction in the war formerly known as Axis Zeon, remains as powerful as ever. Led by Newtype Haman Karn, Neo-Zeon has been implementing plans to take over both Earth and the space colonies.

The AEUG flagship Argama heads to the Side 1 colony Shangri-La for repairs. Living in the colony is Judau Ashta, a 14-year-old junk dealer who is struggling to make enough money to put his younger sister through school. Upon the discovery of an escape pod containing a former Titans pilot, Judau and his friends are quickly led to the Argama in hopes of stealing a mobile suit which they can sell for a fortune. However, with the arrival of a Neo-Zeon ship seeking to defeat the Argama, Judau and his friends are dragged into to a conflict that will bring them across space and Earth.

Rank: 1225.0

Rating: PG-13 - Teens 13 or older

Synopsis: The year is Universal Century 0093. Char Aznable has taken command of Neo Zeon, the rebels of outer space. He firmly believes that humankind can only achieve peace by relocating to space. Thus, he plans to crash the giant asteroid Axis into Earth and plunge the planet into an uninhabitable winter. Char also eagerly anticipates this opportunity to settle a 14-year rivalry with Amuro Ray. The two have been reluctant allies at times, but Char has never forgiven Amuro for causing the death of one of his comrades during the One Year War.

Only the Earth Federation's Londo Bell Unit has the power to stop Char from fulfilling his dangerous goal. Leading the defense of Earth is veteran captain Bright Noa and Amuro Ray with the latest Nu Gundam mobile suit. In this thrilling conclusion to the original Gundam series, Londo Bell engages in a final conflict with Neo Zeon that will decide the fate of Earth and end this long-standing rivalry once and for all.

Rank: 5740.0

Rating: PG-13 - Teens 13 or older

Synopsis: In the year 123 of the Universal Century, skirmishes between the Federation government and the rebel group Crossbones Vanguard echo across Earth's space colonies. One of these small battles breaks in the hometown of young Seabook Arno, forcing him and his friends to flee and ensnaring them in the political turmoil that is quickly evolving into an all-out war.

Seabook meets Cecily Fairchild, granddaughter of the aristocrat Meitzer Ronah, who seeks to create a new political power called "Cosmo Babylonia." Using the Crossbone Vanguard as its muscle, the Ronah family schemes to restore aristocratic rule and establish an economic system that will benefit the nobility, thus devastating the quality of life for the common people of the Earth Sphere.

Seabook is tasked with piloting the Gundam F91, a mobile suit created by his mother, and must choose between protecting the status Federation's status quo or cooperating with Cecily to find a better way of life for all.

Rating: PG-13 - Teens 13 or older

Synopsis: In the year 153 of the Universal Century, the tyrannical Zanscare Empire has taken hostile control over Side 2, a space colony outside of Earth's orbit. Following in the footsteps of the long expired Principality of Zeon and the more recent Crossbone Vanguard, Zanscare rules over its subjects with cruelty, routinely using a large guillotine for public executions.

Living in Central Europe, space immigrant Üso Ewin joins the League Militaire, a militia made up of civilians frustrated with the Earth Federation's inability to combat the Zanscare Empire. Üso's latent abilities as a psychic Newtype awaken and allow him to pilot the Victory Gundam, the only mobile suit capable of holding off the elite BESPAs of the Zanscare Empire.

Hoping to protect his best friend Shakti Kareen and locate his parents within the ranks of the Federation, Üso fights on with the Victory, striving to bring an end to the empire's reign.

Synopsis: The United Earth Sphere Alliance is a powerful military organization that has ruled over Earth and space colonies with an iron fist for several decades. When the colonies proclaimed their

opposition to this, their leader was assassinated. Now, in the year After Colony 195, bitter colonial rebels have launched "Operation Meteor," sending five powerful mobile suits to Earth for vengeance. Built out of virtually indestructible material called Gundanium Alloy, these "Gundams" begin an assault against the Alliance and its sub organization OZ.

One Gundam, whose pilot has taken the name of the slain colony leader Heero Yuy, is forced to make a crash landing into the ocean after an atmospheric battle against OZ's ace pilot Zechs Marquise. Upon coming ashore, he is found by Relena Peacecraft, daughter of a peace-seeking politician, who witnesses Heero's descent to Earth. Although neither of them realize it yet, this encounter will have a profound impact on both their lives, as well as those on Earth and in space colonies.
